councils, interagency committees, or other similar organizations;

(3) Scholarly or scientific investigations for purposes other than addressing water management problems, needs, concerns or interests specifically identified and explained in the approved program as a priority consideration;

(4) Construction, payment of subsidies, or purchase of land or easements;

(5) Purchase of equipment with a unit cost of \$1,500 or more without prior approval of the Council; and

(6) Purchase of equipment with a unit cost of less than \$1,500 when the cumulative cost of such equipment in any one grant period exceeds 1 percent of the grant award, without prior approval of the Council.

(h) Federal funds may not be used to substitute for State and local funds that would have been made available for water management planning programs in the absence of the grant funds provided under this part. Federal funds may be used to supplement and complement existing water management planning programs. It does not prevent drawing matching shares from individual programs or from existing agency appropriations, budgets, or resources so long as expenditures are not substituted by Federal funds for the purposes of the Act.

(i) Payments shall be made in accordance with Attachment J of OMB Circular A-102 and TC 1075. Grant funds shall be requested only on an as needed basis.

(j) Financial management procedures shall comply with Attachment G of OMB Circular A-102 and with TC 1075. The applicable Federal requirements shall apply to the State and to local governments or non-governmental entities that receive funds as a sub-grantee for the purposes of the Act.

§ 740.8 Reporting.

(a) The designated agency shall submit program status reports and financial statements in accordance with procedures established by the Council. Instructions and a description of the content of these reports and the appropriate forms will be provided by the Council and will be in accordance with

18 CFR Ch. VI (4-1-08 Edition)

Attachments H, I and K of OMB Circular A-102 and TC 1075.

(b) The annual program report shall be due 90 days after the end of the grant period, as specified in the grant agreement, and shall contain:

(1) A summary description of the major accomplishments and results of the water management planning activities for the year, and an explanation of any work proposed in the work plan that has not been completed;

(2) An updated activity milestone chart, for each major activity in the work plan, showing the completion dates of major tasks;

(3) For those States implementing an evaluation system, a summary of the results of the evaluation efforts on the overall program effectiveness and key water management activities;

(4) A list of publications, public information materials, and other documents prepared in whole or in part with program funds which must duly note the use of Council grant funds in the printing of these documents;

(5) Other pertinent information, including any specific need for assistance; and

(6) An annual Financial Status Report.

(c) The Report of Federal Cash Transactions, as required under the provisions of Treasury Circular 1075, is due 30 days after the end of each quarter of the grant period, as specified in the grant agreement.

§ 740.9 Recordkeeping.

Each State or other entity within a State receiving financial assistance under this part shall make and retain records required by the Council, including records which fully disclose the amount and disposition of financial assistance received; the cost of administration; the total cost of all activities for which assistance is given or used; and any data and information which the Council determines are necessary to protect the interests of the United States and to facilitate an effective financial audit and performance evaluation. The Council and the Comptroller General of the United States shall have access to any books, documents, records or receipts which the Council determines are relevant or pertinent,

either directly or indirectly, to any financial assistance provided under this part. Such records shall be retained for a period of three years, which starts from the date of the submission of the annual financial status report for the grant period.

§ 740.10 Program review and assistance.

(a) Each State's program will be reviewed annually by the Council to evaluate program management and accomplishments relative to the approved work plan. The Council shall:

(1) Review program information including the application, annual reports, and other relevant information; and

(2) Make onsite visits as frequently as practicable to review the State program to:

(i) Provide assistance in the administration of the program, and at the request of the State, specific technical assistance in water resources management;

(ii) Determine whether Council policies, procedures or guidelines need revision to more effectively administer the grant; and

(iii) Gather information on practical or innovative techniques, methodologies, or other relevant information on the program.

(b) Based on the Council's annual review of each State program, the following may occur:

(1) If the program conforms to the requirements of the Act, the State will be advised of its continued eligibility for a grant;

(2) If it appears that the program does not comply with the requirements of the Act in either design or administration, the Council shall ascertain all the relevant facts. The State shall be notified immediately of the apparent inadequacies of the program with citation of specific requirements of the

Act, this part, or other relevant instructions which apparently have not been met. The State shall be given timely opportunity to be heard through the filing of written statements and personal presentations in support of their position. If the Council is satisfied that sufficient adjustments have been made in the design and operation of the program, payments to the State will be continued; and

(3) If the Council determines on the basis of all the facts that the program still does not meet the requirements of the Act, the Governor shall be notified of the decision and the reasons therefore, and that no further payments shall be made until the noted inadequacies are satisfactorily resolved.

§ 740.11 Federal/State coordination.

The Council will coordinate the program under this part with similar or related programs of other Federal agencies in an effort to achieve consistency and compatibility in the administration of Federal programs.

§ 740.12 Amendments.

The Council may amend all or portions of these guidelines in accordance with established procedures. If it does, it will:

(a) Consult with appropriate advisory groups;

(b) Publish such proposed rulemaking in the FEDERAL REGISTER; and

(c) Simultaneously provide a copy of such proposed changes to each designated agency.

§ 740.13 Supplemental instructions.

As deemed appropriate, the Council may amplify the guidelines in this part by means of supplemental instructions, and may clarify program or administrative requirements set forth in these guidelines by the means of policy bulletins.
